Annual LED – All About Jobs
State Workshop

Washington, DC

The Local Employment Dynamics – All About Jobs annual state workshop is planned for Thursday and Friday, January 19 and 20. The workshop is an opportunity to:

- meet other members of the LED Partnership,
- review events of the previous year and plan for the next
- exchange ideas and experiences, and
- learn from your peers how the LED data are being used.

The Census Bureau hosts this annual workshop and is able, once again, to cover travel costs for one representative from each partner state.

Please watch our website for more workshop information as it becomes available.
